Simon,
Can you or Hoshrav take a hotel car to Sete Brasil's Office? That way we have 3 in each car.
It will be hard to find another driver in the next 30min with availability for the whole day.
Ivan.

Ivan,

Kevin left the hotel around 10.05 to go to Sete to do the corporate video. He may not be back at the hotel by 11.

If he doesn't have time to get back to the hotel and heads straight to the shipyard with you, there is only 1 car for 4 of us and I'm not sure all our luggage will fit in.

Could we get another car to take us to the shipyard if you and Kevin don't have time to come back to the hotel?

Regards,

Simon

Dear all,

We are still trying to confirm the visit to Brasfels for Wednesday. Therefore we need to change the meetings with Santander, Aldo Floris and with Valia.

Santander offered to have breakfast with you guys on Thursday in São Paulo. Would that be possible?

Best,
Luiz

It depends on the processing time required by Jepp and team.

Sooner would be better.

The final deadline will be end of April.

Best,

Jeppe,

For me, that would not be a problem; however, the following week is Easter week, and in Brazil that means Thursday and Friday (April 5/6) are holidays. Therefore, the likelihood of lining up senior people at Petrobras, the shipyard, investor(s), etc...becomes difficult. If you want to push the trip, we could try for the week of April 9th. I think that would still give you time to obtain your necessary approvals, as I don't believe the second round of new investors will occur before the end of April.

Luiz and Ivan, what do you think?

Thanks, Kevin

Thanks.

Just wanted to check one thing with you: would it be possible to push back the trip to the following week?

Not sure, exactly how that sits with Easter holidays and all, but if you could check whether it is possible that would be highly appreciated.

Jeppe

I should have mentioned the hotel in Rio, but I recommend staying in the Caesar Park in Ipanema. If you want other suggestions, I'm happy to provide, but that is where our team has made reservations.

Best wishes, Kevin

Dear Jeppe,

Hope this finds you well. I'm writing to update you on the due diligence trip to Rio: Ivan Hong and Luiz Reis of Lakeshore Partners (Sete Brasil's financial advisor, who are copied above) is setting up the visits, and while the schedule is not yet firmed up, They are setting up appointments with Petrobras, Sete Brasil, one or two investors, and the Brasfels shipyard in Angra dos Reis, as we had previously discussed. The proposed dates of the visit are March 26-28, so I would go ahead and make your travel plans accordingly. I will plan to arrive Monday morning and depart Wednesday night, fyi. You should probably let Lakeshore know who else from ADICO will be joining the visit.

Could you please let me know where the NDA stands? Have you been able to finalize it and obtained access to the data room?

Please let me know if this is o.k. as outline above.

Many thanks, Kevin
